

Philippines

The Philippines is made up of more than 7,100 islands and moving goods around requires not only an extensive domestic distribution network but also connectivity and transparency along the entire supply chains. With long distances between major trading and commercial centres, effective logistics management is essential in ensuring the smooth flow of goods through the supply chain.

Dynamic Logistics Partner of MNCs

Kerry-ATS Logistics, Inc, a joint venture between Kerry Logistics and NN-ATS, is the largest inter-island movers of passengers and cargo in the Philippines.

Leveraging on NN-ATS with unsurpassed local knowledge from over a hundred years of experience and a passion to consistently deliver cargo and information on time, Kerry-ATS Logistics offers our customers dedicated international freight forwarding solutions across the globe.

We have strong control of our network nationwide, operating a fleet of vessels, aircraft, trucks, and other delivery vehicles to provide a reliable network of delivery channels.

Creating Visibility throughout the Supply Chains

Our KerrierVISION is a proprietary online platform designed to enhance visibility, accessibility and connectivity by enabling prompt information flow between our customers and their supply chains. It provides a customer portal to our integrated logistics customers and international freight forwarding customers to track their inventory, freight, purchase order and delivery status.
