Integrated Logistics

Kerry Logistics has the assets, people and IT infrastructure to support your business activities from manufacturing in China and Asia to sourcing from the region, and distribution all over the world.

Our integrated logistics services range from pick-and-pack, light assembly, to a wide range of value-added services prior to delivery to your retail network. Currently, Kerry Logistics is serving more than 40 of the world's Top 100 Brands ranked by Interbrand across a spectrum of industries and we consistently deliver professional and cost-efficient logistics solutions to make our customers successful. By managing 45 million sq ft of logistics facilities, Kerry Logistics provides customers with reliability and flexibility to support their expansion and long-term growth.

Our KerrierVISION is a proprietary online platform designed to enhance visibility, accessibility and connectivity by enabling prompt information flow between our customers and their supply chains. It provides a customer portal to our integrated logistics customers and international freight forwarding customers to track their inventory, freight, purchase order and delivery status.
