

Hong Kong

Hong Kong has been the gateway to China for more than 150 years and is regularly nominated as the world's most business-friendly environment. World-class infrastructure and superb business environment, together with professional knowledge and dedication to excellence of our logistics services providers are indispensable in making Hong Kong's leading position as the ideal logistics centre in Asia.

The Largest Asia-based Global 3PL service provider

Kerry Logistics is a leading logistics service provider in Asia with extensive operations across Greater China and the ASEAN region. Currently, Kerry Logistics is serving more than 40 of the world's Top 100 Brands ranked by Interbrand across a spectrum of industries. Our market segments include fashion & lifestyle, electronics & technology, food & beverage, FMCG, industrial & material science, automotive, and pharmaceutical & healthcare.

Creating Visibility throughout the Supply Chains

Our KerrierVISION is a proprietary online platform designed to enhance visibility, accessibility and connectivity by enabling prompt information flow between our customers and their supply chains. It provides a customer portal to our integrated logistics customers and international freight forwarding customers to track their inventory, freight, purchase order and delivery status.
