

Vietnam

Vietnam has one of the fastest growing economies in Asia. With the long coastline and borderlines with China, Laos and Cambodia, Vietnam offers favourable conditions for providing transport services, in particular multi-channel transport-an important factor in the supply chains.

New Southeast Asian Powerhouse

Kerry Integrated Logistics (Vietnam) is one of the few integrated logistics service providers in the country. We offer our customers a full range of logistics services from customs, shipping to freight forwarding, distribution and a diversified range of value-added services.

Creating Visibility throughout the Supply Chains

Our KerrierVISION is a proprietary online platform designed to enhance visibility, accessibility and connectivity by enabling prompt information flow between our customers and their supply chains. It provides a customer portal to our integrated logistics customers and international freight forwarding customers to track their inventory, freight, purchase order and delivery status.
